SCOTTISH EPISCOPAL CHURCH, 10 WOODEND DRIVE, G13 1QS

An invitation to join us  
in celebrating Christmas

## ***Dear Neighbours and Friends***

Christmas is a time of the greatest kind of wonder because we celebrate how God personally took the blame for everything evil that people had done. This started when, in the person of Jesus, God accepted all the limits of human life, giving Himself to live a human life and to die a human death.

At Christmas we recall how Jesus was born and how God was visible to all in the weakness and needs of a human baby. It was by not holding to His own glory and majesty that God could become visible to humanity, and so would teach and heal all who would receive His word.

At the first Christmas the heavens exploded in joy at what God was already doing, and we are invited to be part of that celebration. Please join us.

***With all good wishes***

Either way, we hope you'll enjoy making the most of your Christian life in the Discipleship Explored course which we'll be running for eight weeks from early February 2015.

Find out more from the videos and links on our website at [allsaintsjordanhill.org.uk/discipleship](http://allsaintsjordanhill.org.uk/discipleship) or phone 0141 954 6606. Or drop in to the church. We'd love to have you join us as we explore what it means to be a disciple of Christ.
